From Chamber Board President Erin Davelaar:

As a fellow business owner in the Iowa Great Lakes I am proud to be a member of the Chamber and do so because of the excellent return on my annual investment. For a small portion of my annual marketing budget I receive tremendous value through the following Chamber member benefits:

- * Opportunity to attract new customers through Chamber sponsored activities such as Winter Games, Walleye Weekend, Oktoberfest, Boji Bike Rally and more
- * Networking with fellow Iowa Great Lakes business owners at Business After

- Five, the Chamber Annual Meeting and a variety of other events
- * Serve as an Iowa Navy Commodore, our ambassador group
 - * Great marketing benefits for your business through word-of-mouth, social media, press releases and email campaigns. The Chamber is often the first call made when potential visitors plan a vacation.
 - * Legislative support for your business through Chamber organized events and visits with state officials on topics directly affecting your business.
 - * Community engagement and involvement.
 - * In short, the Chamber does many of the “little things” I often don’t have time to do myself. The Chamber takes an already great area to live and work and makes it even better. Join today!
